Re: CERCLA 104(e) Information Requests to West Lake
Ready Mix Company

Dear Mr. Whitaker and Mr. Baldwin:

The United States Environmental Protection Agency ("EPA") is currently investigating the source, nature, and extent of the release or threatened release of hazardous substances, pollutants, contaminants, or hazardous wastes at the West Lake Landfill in Bridgeton, Missouri ("the site"). This investigation requires inquiry into the (1) identification, nature, and quantity of materials that have been or are generated, treated, stored, or disposed of at, or transported to, the site, and (2) the nature and extent of a release or threatened release of a hazardous substance, pollutant, or contaminant at or from the site. The site is located near the intersection of I-70 and I-270 in Bridgeton, Missouri, which is a suburb of St. Louis, Missouri. The U.S. Nuclear Regulatory Commission ("NRC") has performed investigations at the site which have revealed the presence of hazardous substances (radioactive material) in the soil and groundwater.

Section 104(e) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. 9604(e) ("CERCLA") as amended by the Superfund Amendments and Reauthorization Act of 1986 ("SARA") gives EPA the authority to require any person who has or may have information relevant to materials generated, treated, stored, or disposed of or transported to the site, the nature and extent of a release or threatened release of a hazardous substance, pollutant, or

contaminant at or from the site, or the ability of a person to pay for or perform a cleanup of the site to furnish such information to EPA upon reasonable notice. Accordingly, to aid EPA in its investigation, you are hereby requested to provide the following information within thirty (30) days of receipt of this letter.

INSTRUCTIONS

In responding to the requests for information, please describe the source of your information.

1. You are required to provide a separate narrative response to each and every question and subpart of a question set forth in this Information Request.
2. Precede each answer with the number of the question to which it corresponds.
3. If information or documents not known or not available to you on the date of submission of your response to this Information Request should become known or available to you at a later date, you must supplement your response to EPA. Moreover, should you find at any time after the submission of this response that any portion of the submitted information is false or misrepresents the truth, you must notify EPA of this fact as soon as possible and provide EPA with a corrected response.
4. For each document produced in response to this Information Request, identify the document and indicate on the document, or in some other reasonable manner, the number of the question to which it responds.
5. The information requested herein must be provided even though the Respondent may contend that it includes confidential information or trade secrets. You may, if you desire, assert a confidentiality claim covering part or all of the information requested, pursuant to Sections 104(e)(7)(E) and (F) of CERCLA, 42 U.S.C. §§ 9604(e)(7)(E) and (F); Section 3007(b) of RCRA, 42 U.S.C. § 6927(b); and 40 C.F.R. 2.203(b), by attaching to such information at the time it is submitted, a cover sheet, stamped or typed legend, or other suitable form of notice employing language such as "trade secret," or "proprietary" or "company confidential." Information covered by such a claim will be disclosed by EPA only to the extent, and only by means of the procedures set forth in 40 C.F.R. Part 2, Subpart B. If no such claim accompanies the information when it is received by EPA, it may be made available to the public by EPA without further notice to you. You should read the above cited regulations carefully

before asserting a business confidentiality claim, since certain categories of information are not properly the subject of such a claim.

6. Information which you submit in response to this Information Request may be disclosed by EPA to authorized representatives of the United States, pursuant to 40 C.F.R. § 2.310(h)(1988), notwithstanding your assertion that all or part of it is confidential business information. Please be advised that EPA intends to disclose all response to this Information Request to its contractor, which EPA has retained to organize and analyze the information contained in the responses to this Information Request. If you are submitting information which you assert is entitled to treatment as confidential business information, you may comment on this intended disclosure within (10) days of receiving this Information Request.

DEFINITIONS

The following definitions shall apply to the following words as they appear in this information request:

1. The term "you" or "Respondent" shall mean the addressee of this Request, the addressee's officers, managers, employees, contractors, trustees, successors, assigns, and agents.
2. The term "person" as used herein includes, in the plural as well as the singular, any natural person, firm, unincorporated association, partnership, corporation, trust or other entity.
3. The terms "the site" or "the facility" shall mean and include the property on or about the West Lake Landfill located near the intersection of I-70 and I-270 in Bridgeton, Missouri, which is a suburb of St. Louis, Missouri.
4. The term "hazardous substance" shall have the same definition as that contained in Section 101(14) of CERCLA and includes any mixtures of such hazardous substances with any other substances, including petroleum products.
5. The term "pollutant or contaminant," shall have the same definition as that contained in Section 101(33) of CERCLA, and includes any mixtures of such pollutants and contaminants with any other substances, including petroleum products.
6. The term "hazardous waste" shall have the same definition as that contained in Section 1004(5) of RCRA.
7. The term "solid waste" shall have the same definition as that contained in Section 1004(27) of RCRA.
